Watershed Committee Minutes

Wednesday January 21st, 2026, 4:00pm

Location:

RCD Building-Top Floor 423 E. Saint Charles St., San Andreas, CA 95249

- **Call to Order-** Call to order 4:08pm
 - o **CCRCD Board Members and Staff Present:** Erin Livernois, Resource Tech.; Trina Walley, Executive Director;
 - o **Outside Agency Members Present:** Benjamin Cook, Trout Unlimited; Baljitt Singh, CalOES; Gordon Long, Amador RCD/Community Member at large

- **Public Comment**

No Public Comment Received

- **Staff Report**

No staff report given

- **Business**

- o **ACTION: Approval of 11.19.25 meeting minutes.**

Unable to complete action due to lack of quorum

- o **Review monitoring site prioritization ranking by CCRCD staff.**

- Determined Murphys Park and White Pines Lake had highest ranking and best two sites to start monitoring program but without more committee members present, it was decided to bring these to the February meeting to discuss further.
- It was suggested “funding” be added to the prioritization ranking in future.
- It was suggested that future monitoring sites should be chosen to bolder project funding potential rather than ease of access, property ownership etc.

- o **Update committee structure to bring to CCRCD Board of Directors for approval.**

- Currently: UCCE, Trout Unlimited, CalOES, CCWD.
- To invite to committee: Amador RCD, UMRWA, T-Stan IRWMA, Tribal partner(s), Utica Water and Power Authority, Community member at large.

- **Discuss potential funding sources.**
 - CCRCD brought two potential grants to the group. EPA Environmental Education and WaterSmart.
 - CDFW's Cannabis Program was suggested to look into for potential funding since it has Prop 4 available.
- **Adjourn-Ajourned at 4:58pm**
 - **Identify staff tasks.**

Next meeting to be held at 4:00 pm, February 18th, 2026
