

Weed Management Workshop

Join us for an informative and practical workshop designed to help you manage vegetation effectively. Learn from experts about identification, control methods, and financial assistance programs.

WORKSHOP TOPICS:

- * **Weed ID:** Identifying Native, Noxious, and Invasive species.
- * **Prescribed Burning:** Using controlled fire for effective weed management.
- * **Targeted Grazing:** Livestock strategies for vegetation control.
- * **NRCS Funding 101:** Overview of program funding and an interactive roundtable discussion.
