

FREE WILDFIRE Home Assessment Training

Hosted by Copperopolis Fire Protection District

May 9-10, 2026
0900-1700 PT (Daily)

Copperopolis Fire Station 1
370 Main St
Copperopolis, CA 95228

The course is free and open to anyone wishing to learn more about wildfire home assessments.

What to Expect

Classroom Session

You'll learn the fundamentals of assessing a home and working with residents to make their property more resilient to wildfires.

Hands-on Training

Put it into practice! You'll evaluate a home in the community to gain a better understanding of a home assessment and put classroom knowledge into action.

Provisions

Lunch and other provisions will be the responsibility of each attendee. Local restaurants are available, or attendees can bring their own lunches/snacks if preferred.

Registration is free and required

Local Contact - Chief Mike Johnson, firechief@epfd.org

NVFC Training Coordinator - Amanda Tegtmeier, amanda@nvfc.org

The Wildland Fire Assessment Program (WFAP) will teach you how to work-side-by-side with homeowners to identify threats around their property that may be susceptible to wildfires. The WFAP is a joint effort between the National Volunteer Fire Council and the U.S. Forest Service to prepare fire department members with the necessary information, skills, and resources to conduct home safety assessments and provide residents with recommendations as to how to make their homes more fire adapted in the wildland-urban interface. Learn more about WFAP at www.nvfc.org/wfap.
