- Wilson Reservoir
- White Pines
- Forest Health projects to benefit the Mokelumne River
- Cosgrove Creek—identified county priority with active studies taking place.
- Wildlife Surveys along tributaries
- **Update on monitoring program**
 - Equipment obtained from TCRCD in late March. Erin cleaned and tested equipment, determined 4 kits are operational but three of them need to be fully calibrated as they have not been used in years.
 - Equipment and data collection completed by CCRCD staff on April 3rd.
- **Discuss potential funding sources**
 - Discussed WCB using priorities set by CDFW when considering funding and identified a need to develop grants with those priorities in mind
- **Identify follow-up tasks by staff/committee members.**
 - Create new schedule of committee meetings and send to committee
 - Create monthly reports to send to the committee
 - Order solution to calibrate monitoring equipment
 - Create data collection sheets and database for monitoring
 - Investigate CDFW priorities for planning future grant opportunities
- **Action**
 - **Approval of meeting minutes from 11.19.25, 1.21.26, 2.18.26 and 3.18.26**
 - Approved all meeting minutes

Next meeting to be held at 4:00 pm, June 17th, 2026
