JOB ANNOUNCEMENT

**Forest Health and Fire Resiliency Project Manager
for the
BUMMERVILLE/BLIZZARD MINE FUELS REDUCTION AND FOREST RESTORATION PROJECT
offered by
Calaveras County Resource Conservation District**

Position Summary

The Project Manager position for the Bummerville/Blizzard Mine Fuels Reduction and Forest Restoration Project is part-time and temporary. The position is specific to the project described in this notice. The Project Manager will accomplish work on the project, as described in duties below. This position will be terminated when the project is considered complete and/or reaches the contract end date of 10/01/2027.

Duties

- Coordination and administration of a 460-acre mechanical vegetation project that will include commercial logging, mastication, and hand work.
- Engage with Bureau of Land Management (BLM) staff, landowners, and contractors, to ensure project specifications are met.
- Responsible for invoicing and reporting of work progress to RCD staff.

Minimum Requirements

- Experience working with federal land management partners.
- Experience with policies, regulations, and reporting procedures for Sierra Nevada Conservancy forestry grants.
- Minimum 1-2 years' experience managing mechanical vegetation treatment projects in a forest setting.

Additional Requirements

- Valid California Driver's License.
- Ability to communicate on a telephone, via email, and in person.

- The position requires significant field work in a forest setting. This requires:
 - Ability to climb, bend, stoop, squat, and reach on a frequent basis.
 - Ability to hike over rough terrain for long periods in possible inclement weather.
 - Ability to properly prepare and endure for long hours exposed to the elements.

Pay

\$35-45/hour, depending upon experience.

Hours

This is a part-time position and hours will vary throughout the duration of the project. We estimate that this project will require no more than 10 hours per week.

Benefits

No health care or benefits are provided.
